**Register today!**

## About Us

Model United Nations (MUN) participants will come together with peers from across California to discuss international issues, discover other cultures, develop life-enhancing skills, and make new friends. These students will become “delegates” and be assigned to one of two program areas, each focusing on improving the international community.

2022 MUN Participants will be invited to attend local delegation meetings, a statewide virtual event, and a 1-day in-person MUN Summit: one in Northern or Southern California.
