

# TOGETHER WE CAN MAKE A DIFFERENCE

Volunteers play a crucial role in the Y's mission to provide much-needed support and resources to those affected by the fires hitting Los Angeles. Your willingness to spend your time and energy to help others in need will greatly impact the speed and effectiveness of relief operations. Volunteers can assist in various tasks such as handing out meals and fresh produce, donating emergency supplies, helping to accept and organize donations, welcome families impacted by the fires into our centers and help them find the essentials they need, spread the word on social, make cards for families, and so much more.
